**Description:** Once it gets dark enough after 6pm we will watch a few animated shorts. I will provide all movie equipment including a small outdoor projector and a white screen with a stand. Power is not necessary as I will bring a battery. I have tested the equipment in my driveway with good results. After the animated short films are over we will clean up and leave. I do not expect more than a dozen or so people. There is no alcohol at this event, primarily aimed at nearby families and children in the neighborhood. Will consider providing small cups of popcorn / water to the group, if allowed.
