City of Somerville, Commonwealth of Massachusetts

Application #: PEL23-000043

File #: 23-004675

Application for: Public Event

Organization name: Friends of the Community Growing Center

Description: Earth Day 2023: Creatively Celebrating Together aims to bring more awareness to city resources, to get more people of all ages and abilities outdoors planting, learning about local food and pollinator systems and engaging more people of color, and/or Spanish & Portuguese speakers. This event is being held in collaboration with the City's Office of Sustainability and Environment and the Climate Coalition of Somerville. It will include gardening, nature, and art activities, with some participatory music and/or dance. It will also serve as the kick off for a series of events to convene climate activists and artists to create transformative collaborations.

Date(s): April 22nd

Setup starts at (time): 11am

Cleanup after the event ends at (time): 5pm

Entertainment: Possible local percussion group to kick off the event and potentially some dance performance by local artists.

Attendees:

Max attendance at one time: 100

Maximum attendees accommodated: 200

Attendee fees or suggested donations: Free, donations welcomed.

Social or cultural benefits:

This event will connect residents with the Earth, with each other, the possibilities of being part of the local food system and understanding the biodiversity of Somerville and the role each of us can play in that. We are working to engage language guides/interpreters to assist Spanish and Portuguese speaking visitors to actively participate. Our outreach also includes organizations, such as Walnut St Center, that serve residents with disabilities. And outreach is also targeted at connecting artists and climate activists together to foster future collaborative projects.
