RE: 321 Washington Street (Map 64, Block B, Lot 7)  
Zoning Map Amendment Petition

Dear City Council,

My name is Gregg Donovan. I am the managing member of 321 Washington Street LLC, the owner of 321 Washington Street, an existing building and lot utilized for warehouse, manufacturing, offices, artist studios, and parking. I am writing you today to petition for a zoning map amendment as depicted in the enclosed Zoning Atlas Map 14, and as further detailed as follows:

***Change the existing zoning designation of 321 Washington Street from "FAB" (Fabrication) to "CI" (Commercial Industrial)***

The reason for the requested change is to greater utilize the property under CI zoning, opening up the use possibilities to better attract business use. The property has been underutilized in recent years due to shifts in the economy and business landscapes during the Covid epidemic and recovery. I feel that the additional use categories under CI will help attract new business to the location, thus creating new jobs and a new infusion of commerce into the neighborhood.

The CI zoning is actually fairly close to the existing FAB in terms of both having zero residential uses and focusing on commercial and industrial uses. However, the CI zoning is a little more open to business uses, allowing more services and commercial business types, which is our main objective. I also feel that granting this petition comes with zero negative impact for the neighborhood given the existing uses.

Sincerely,

Gregg Donovan  
Managing Member
