(ID # [23-0053](#))

By Councilor Ewen-Campen, Councilor Scott, Councilor McLaughlin, Councilor Burnley Jr., Councilor Clingan, Councilor Davis, Councilor Gomez Mouakad, Councilor Kelly, Councilor Pineda Neufeld, Councilor Strezo and Councilor Wilson

That this City Council calls on the Administration to reverse its decision to remove the Somerville Media Center and the Massachusetts Alliance of Portuguese Speakers from the city-owned building at 90-92 Union Square, and to work with these community partners to find them suitable homes in Somerville before any further action is taken.

Councilor Pineda Neufeld assumed the Chair. Councilor McLaughlin spoke on the item saying that the point has been reached where someone will get hurt. He spoke about how the Media Center was influential in his life growing up in Somerville and he thinks that this is basically a tenant/landlord issue, with the city being the landlord. He said that the Media Center and MAPS needs a home and that they are being forced out by the city to make room for a new non-profit entity. He pointed out that the Media Center is a Somerville organization that has benefited the city. He said that if this isn't resolved, he won't support the FabLab coming into the city and he will take steps to keep the building vacant. Councilor Scott noted that the disrepair of the building has been going on for 5 years and he believes that the city has used this strategy to displace MAPS and the Media Center. Councilor Ewen-Campen acknowledged that the current city administration inherited this problem from the prior administration. Councilor McLaughlin pointed out that the city has several properties that were taken by eminent domain, so he feels that there are options available. Legislative Liaison Carrillo stated that the Administration is committed to resolving this situation.
