By Councilor Mbah, Councilor Sait, Councilor McLaughlin, Councilor Ewen-Campen, Councilor Wilson, Councilor Strezo, Councilor Burnley Jr., Councilor Clingan, Councilor Davis, Councilor Pineda Neufeld and Councilor Scott

In support of immigrant rights legislation, including the Safe Communities Act and the Immigrant Legal Defense Act.

Councilor Mbah said this resolution reconfirms Somerville's commitment to ensuring that Somerville remains a welcoming city and stands against policies that would lead to the separation of immigrant families. He sponsored Maroni Minter, Political Director of the Massachusetts Immigrant and Refugee Advocacy Coalition (MIRA), who spoke about the protections of the Safe Communities Act's provisions and said that the bills in question, known as the Immigrant Legal Defense Act, would establish a public/private fund to provide free legal services for immigrants trying to prevent deportation.

Councilor McLaughlin commented that the bills should pass on the state level, and he noted that many people, however, don't support this. He explained that it costs cities and towns money to hold people for the federal government. He also explained that if people are afraid to contact police, it creates a dangerous situation for others and that this effort is about allowing people to feel safe. He noted that the measure has been endorsed by the MA Chiefs of Police Association. Councilor Mbah asked that the Resolution be forwarded to the city's state delegation and to the governor.

(ID # [25-0473](#))

By Councilor McLaughlin, Councilor Scott, Councilor Burnley Jr. and Councilor Mbah

That the Administration update this Council on the status of the \$528,218 received from the national opioid settlement fund to combat drug addiction and of any plans to utilize said funds.

Councilor McLaughlin stated that this money has been waiting to be used for some time, leading him to think that it might be time to impose deadlines on its use. He believes that the funds were being held to be used for the creation of a safe consumption site, which he said would have happened by now if it was going to happen at all. Councilor Scott commented that this is an enormous problem across the state and that of the \$91 million awarded to cities and towns, only \$7 million has been put into play.

Councilor Wilson stated that the following places will provide someone to stay in contact with users while they are using, so that help may be called in case of an overdose:

**Never Use Alone** - 877-696-1196 - where volunteer operators will take your location information, and alert EMS to that location if you stop responding after using and

**Brave**, a mobile app that connects people who use drugs alone with anonymous remote supervision.

Councilor Burnley noted that he brought forward an item for similar compensation amounting to \$244,891 in abatement funds and he doesn't think any of it has been used yet. Councilor Mbah stated that he wants to know what the terms were for the opioid money when it was received by the city.

In support of Section 504 of the Rehabilitation Act of 1973 and condemning attacks on disability rights.

Councilor Clingan explained that disability rights are under attack and that Section 504 is being challenged as unconstitutional and that the Somerville Persons with Disabilities Commission has asked for the Council's support in this fight. Councilor Clingan sponsored Disability Advocate and Former Executive Director of the Arc of Massachusetts, Leo Sarkissian to speak.

Mr. Sarkissian said that Section 504 was the forerunner for the ADA and relates to any place where federal funding is involved, e.g., schools and medical facilities, and that the constitutional challenge is being brought by seventeen states.

Councilor Clingan sponsored Harriotte Ranvig, a member of Somerville's Commission for Persons with Disabilities, who said that 1 in 5 people have some sort of disability. She has been campaigning to have amicus briefs filed by the 33 states not involved in the lawsuit. Councilor Clingan commented that the door for this challenge was opened because of trans issues. Councilor Wilson spoke about the value of Section 504 and said that the states filing the suit should be shamed. Councilor Burnley commented that if educational funds were to be stripped away it would lead to segregation for people with disabilities and Councilor McLaughlin commented that this issue applies to people on several levels.

She pointed out that floodwaters contain untreated sewage from Cambridge and Somerville and she spoke about the amount of raw sewage being dumped. Her organization is not seeing improvements for Alewife Brook even though there is an opportunity to make things better. She asked the Council to focus its EPA funding projects for Alewife Brook.
