Agenda Summary

That the Director of Food Access & Healthy Communities provide this Council with a report on the Taxi to Health program.

Official Text

That the Director of Food Access & Healthy Communities provide this Council with a written or oral report on the Taxi to Health program, including how many residents use it, how many of them are seniors, how many of them have mobility disabilities, what services they procure through the program (grocery stores, food pantries, farmers markets, and pharmacies) and where the taxis pick residents up.
