That the Administration compile a report focusing on aging in community in Somerville, with the data outlined below.

Official Text

That the administration compile a report focusing on aging in community in Somerville, with data comparing information such as the number of Somerville residents 60 and older, the change of this age group from 20 years ago, a breakdown of race ethnicity, breakdown of gender, how many people 60+ are grandparent guardians or caregivers (and the demographics of the ages these residents caregive for), if children reside in these 60+ led households and the percentage of 60+ Somerville residents that own versus rent.
