

City of Somerville, Massachusetts

Legislation Text

File #: 23-1595, **Version:** 1

Agenda Summary

That the Director of Planning, Preservation and Zoning conduct an historic demolition review to identify buildings over 75 years old, to determine structures that could potentially be designated historic, and to expedite demolition reviews for buildings that are not potential candidates for historic preservation.

Official Text

That the Director of Planning, Preservation and Zoning conduct an historic demolition review to identify buildings over 75 years old, to determine structures that could potentially be designated historic, and help expedite demolition reviews for buildings that are not potential candidates for historic preservation.
