

City of Somerville, Massachusetts

Legislation Text

File #: 22-0336, **Version:** 1

Agenda Text

That the Director of Engineering and the Director of Infrastructure and Asset Management consider implementing a pilot program for Green Infrastructure as a means to reduce issues of flooding in the Gilman Square Neighborhood.

Official Text

That the Director of Engineering and the Director of Infrastructure and Asset Management consider implementing a pilot program for Green Infrastructure including but not limited to rain gardens or infiltration trenches similar to projects recently implemented with MyRWA grants in the town of Arlington as a means to reduce issues of flooding in the Gilman Square Neighborhood and potentially reduce the the capacity of a proposed million-gallon stormwater and sewage retention tank.
