Agenda Summary

That the Director of Inspectional Services develop a policy requiring all redevelopments to post the information detailed within on the outer perimeter of the property.

Official Text

That the Inspectional Services Department develop a policy requiring all property redevelopments, including by right, post the contact information for the Developer, the general contractor, the building permit number, as well as any special permissions to block the public way and the dates the blocking will occur, on the outer perimeter of the property, be it on a fence or pole.
