Official Text

To the Honorable City Council:

I hereby submit the City of Somerville's proposed One-Year Action Plan for the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG), Home Investment Partnership, and Emergency Solutions Grant (ESG) Programs. The total budget under the City's mandated program year 2023-2024 is estimated at \$3,321,097.

CDBG: \$2,538,680

HOME: \$562,798

ESG: \$219,619

Building from the priorities established in the City's proposed Five Year Consolidated Plan, the One Year Action Plan describes activities the City will undertake in the areas of affordable housing, economic and community development, parks and open space, transportation and infrastructure, and public services. The CDBG, HOME, and ESG grant funds provide the City of Somerville with a tremendous opportunity to undertake activities which will provide substantial benefits to our residents. The Mayor's Office of Strategic Planning and Community Development will administer these

funds.

My staff will be available to answer any questions you may have. Thank you for your consideration of this item.
